Heaven Rev. Peter A. Posca 2013-06  
This book is about heaven but does not include any near-death experiences for sensationalism. The author shares many miracles so that the reader may understand that this book is a bona fide account of heaven, because God does not back what is not true, and the miracles are His backing. There is a section on how the devil became the devil so that the reader may understand matters in heaven and on Earth. The underlying truth always is that whatever is good on Earth is automatically in heaven. Also, whatever is good and fantastic on Earth first appeared in heaven; that is why it is called an invention and not a creation.

*MESSAGES FROM HEAVEN* Joseph Babinsky (Compiler/Editor) 2014-11-18 This book is based on messages from Jesus and other Celestial spirits recorded by James Padgett between 1914 and 1920. Padgett, a lawyer in Washington, DC, is practically unknown, and yet recorded vitally important messages from Spirits who desire humanity to realize the truth about life and death that Christianity is not teaching. Jesus brings again the truths of his message and mission from his work on earth 2000 years ago. Dr. D. Samuels says about these messages: "Whatever one may believe regarding the source of these messages, the contents are so new and revolutionary, yet so compelling by their logic and sublime simplicity, that a serious study of them must be undertaken in order to comprehend their significance and challenge." Accept the challenge and investigate for your self the astounding good news of God's Great Love presented in these messages from heaven. God's Love is the Divine Love; it has real substance and when received into the soul will change

the soul and complete our creation.

Spiritual Breakthroughs Monte Drenner 2011-11 Upon graduation from the

University of Florida in 1980, Monte served for seven years as a U.S. Army Intelligence Officer. He and his wife, Sandy, served in the ministry for 16 years in non-denominational churches in the Southeast. In 2003 they moved to the Orlando, Florida, area and established More Than Conquerors (MTC) Counseling. Monte holds a Master's degree in Mental Health Counseling and is also a Certified Addictions Professional. Monte has vast experience counseling individuals, couples, and families with complex mental health and substance abuse issues. He also provides spiritual life coaching, staff training, and church workshops. Monte and Sandy recently celebrated their 30th wedding anniversary and have two adult daughters who reside in Charlotte, NC. Excerpt from *Spiritual Breakthroughs: What exactly is a spiritual breakthrough? For the purposes of this book, a spiritual breakthrough is "an obvious and observable change in controlling thoughts, feelings, or behaviors, resulting in dramatic spiritual growth."* The bottom line is, when you make a spiritual breakthrough, it will be obvious. You will know it, and others will see it, too. Making and sustaining spiritual breakthroughs will transform you into a drastically different person. That is what the power of God can do if we allow it. Yes, you read that correctly; we must allow the most powerful force in the universe to work in our lives. We can stop the power of God simply by deciding not to change. I made the decision to hinder His power many times in the past, and perhaps you are making it right now. My prayer is that by picking up this book, you made the first step towards opening your heart and mind to the power of God and are ready to delve into His Scriptures. *Engaging with Heaven* Geoff Daplyn 2014-06-26 HEAVEN WANTS to engage directly with you. Are you actively engaging with Heaven and allowing Heaven to engage with you? Many are so busy with personal, family and church agendas that engaging directly with Heaven is altogether foreign. As a believer, you are Heaven's conduit

to earth. The Father's kingdom is to be manifested through you, but unless you engage with Him, how are you to know what He wants of you. Jesus only did what He saw the Father doing. ENGAGING WITH HEAVEN will help you understand why you can. It will also outline how you can take the initiative to engage with Heaven, and how Heaven takes the initiative to engage with you. It will open up new possibilities for living a life pregnant with the kingdom, the power and the glory of Heaven. Heaven is waiting ... Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Projected contributors to the series include notable authors such as Russell D. Moore, Al Mohler, Matt Chandler, Francis Chan, Mark Dever, and others.

This Book explores spiritual principles as opposed to the principles of this present age. In everyday life we are well familiar with the principles that operate here on the earth. We know that when a door is shut we must open it in order to pass through. We know that touching a hot stove will cause pain and a burn. Science is aware of the rules and boundaries of the laws of physics and chemists know the results of mixing elements together to cause a certain result. Although there are many of the scientific laws of nature currently unknown to mankind, he continues to strive to find answers and to reconcile the scientific world of which we are aware using out five senses. What science does not understand, or is unwilling to admit, there is a realm beyond the certainties of this physical realm that is incapable of scientific proof. That realm is called "The Spiritual Realm." Most deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don't apply it to their everyday lives or scientific pursuits. Some look on such things as foolishness as the Apostle Paul said: "But a natural [unspiritual] man does not accept the things of the Spirit of God, for they are foolishness to him; and he cannot understand them, because they are spiritually appraised" (1 Corinthians 2:14). However, as this book will attempt to point out, the spirit realm is very much a real place, actually more real than our physical world. The spirit world has its own set of rules and principles that govern it. However its ways are past finding out by the natural mind of man and thus

invisible to those without spiritual sight. The Apostle Paul said in the Bible: "because the human mind is hostile toward God; for it does not subject itself to the law of God, for it is not even able to do so" (Romans 8:7). Thus our intellect is useless in knowing anything beyond what we can see or touch. Just taking the most basic of the spiritual laws, the 10 commandments for instance, who can argue that we all would be a little better off if everyone was able to follow these basic rules? There would be no crime, therefore no expensive jails to confine criminals. The family unit, which has been broken down in this generation, would stay intact as children would respect their parents; there would be no adultery to break up the family and coveting would all together cease. There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so. There would be no greed, war, competition etc. just to name a few. Jesus said that if we were to pray at all we should pray to God:

**7 Lessons from Heaven** Mary C. Neal, M.D. 2017-09-19 NEW YORK TIMES BESTSELLER • In this inspired follow-up to the million-copy bestseller *To Heaven and Back*, Dr. Mary Neal (featured in the Netflix original series *Surviving Death*) shares untold stories about her encounters with Jesus and powerful insights about how the reality of heaven can make each day magnificent. "If you want practical ways to bring more of Heaven into your life today, Dr. Neal shows how."—John Burke, pastor and author of New York Times bestseller *Imagine Heaven* Dr. Mary Neal's unforgettable account of the Chilean kayaking accident that took her life and sent her on a journey to heaven and back riveted millions of readers. But as she shared her story with audiences throughout the world, Dr. Neal realized she had more to tell, especially on the biggest questions, such as how does her story help others? The ((All)) "Heaven" Charles Mazhar Merhebi 2016-03-04 *The All: Who Is Who? Who Am I? Who Are You?* is a creative writing of subconscious fact in higher states of consciousness, through which Merhebi presents his redefinition of the philosophy of feeling and understanding of the universe. This is an ideal gift to the one who has everything and a treasure to the one who has nothing. In over one hundred chapters, he shares a very important world and entertains our minds and souls. Merhebi emerges as a thinker-feeler, doodler, humorist, lover, and soul handler, and above all, he provokes your mind. He expresses his feelings and ideas in a variety of ways poetically, theoretically, and mathematically but always challenges the readers feelings and beliefs on politics, religion, philosophy, personal self-sufficiency, trade, love, discrimination, parenthood, domination, relationships, time and space, and the structure of the universe. His self-professed aim for this book is to generate a theory of the geometric forms of the invisible common sense logic nothing to be truth. He proposes that as humans of the day, we believe in what is beyond our knowledge capacity, and we function by need. He sees the challenge as one of bringing what we feel in line with what we know, harmoniously accommodating our conscious knowledge with the needs of our subconscious feelings.

The Physics of Spirit: God, Heaven and Human Consciousness Derryl Hermanutz 2014-06-15 Our human body-brain is an exquisitely sophisticated electronic device that generates its own electromagnetic conscious "spirit", and provides that spirit with electromagnetic information about this reality. Our human spirit is made of radio wave energy that can be picked up by an EEG and represented as "brainwaves" on a monitor, rather than the shorter faster bandwidth of visible light. But when our conscious spirit is compressed and accelerated it can literally become a spirit that is made of visible light. Light can exist as free energy. Which is how our human spirit can survive its body's death to go and live in an environment that is made of whole white light -- heaven, nirvana, paradise, the All. At the speed of light time becomes eternally long. We can live in an eternity of light. As human spirits we are children of the Gods -- a family. Many humans remain spiritual infants or adolescents. But some humans -- we might call them awakened ones -- are learning how to be spiritual adults.

*At Heaven's Gate* Robert Penn Warren

*Major Bible Doctrines* John E. Moore  
2017-08-24 Where did God come from? What happens the instant we die? How will judgments during the Tribulation progress? What is EMP, and how will it affect the Battle of Armageddon? Who will control the Antichrist directly? In the Bible, who are the only two people who never experienced physical death? These and many other questions will be probed and answered in this book, where appropriate, helpful diagrams will be used to clarify concepts and explanations. Some math, at an understandable level, will also be used to prove certain biblical concepts. The topics studied in this book will be investigated in a simple, straightforward manner. This book is deliberately not written on the seminary level so that many more people may understand it. The goal of this book is to help you discover concepts in the Bible that you didn't even know were there and to also help you to better understand them. I truly believe this book will also be very inspirational for you and that you will want to go out and share the new things you have learned with other friends and family. And what you do to help someone else to understand will become better solidified in your own mind. As you endeavor to know God's Word better, He will help you to understand things you have not understood in the past. Remember, He is still the God of all wisdom and knowledge. Many blessings to you as you pursue Him; He has nuggets of gold waiting for you.  
*YOU IS HEAVEN* DUANE THE GREAT WRITER  
*Mom's Stairway To Heaven* the Preacher's Son Brian K. Eastman  
2021-01-04 Our journey takes us into the lives of an immigrant family from Canada who came to the United States looking for a better life, warmer climate for their children. From Canada, to across the border in Detroit, Michigan to Colorado and finally the Pacific Northwest. Step into the life of my Mom, the preacher's wife, find out if God treats her same in life as you. Learn how God worked in their lives and how you can get the blessings of the Lord poured out upon your life. My mom's

testimony of her life, she has seen every kind of obstacle in life that you can go through, as a preacher's wife, see how she handled it. You need to ask yourself these questions: Does God treat a Preacher's wife the same as everyone else? Would you give up everything you have to serve God? What choices do you make in your life? Good, bad, right or wrong? Do you know Him? - Or you don't? Does God hear everyone's prayers? - Is Heaven real? Do you pray and talk to Him? - Do you put God first in your life? Do you include Him in your problems you have? Are you going to be ready for that day? Do we accept God's salvation? - Or do we reject Him You need to ask yourself a question if you were to die today would you go to heaven? Mom showed us that we have choices to make in this life, some of them for good and some bad. Don't be a procrastinator and put off the choices you can face. Some choices have long-lasting effects on your health physically and mentally. If my mom would have gone to the doctor when she first started to have problems, she may have never got cancer. Instead she lets it go for a few years and then it turned into something real bad, CANCER. When your body talks to you, you should listen, go to the doctor. God uses all the doctors here on earth to help all of us while we are here. So make the right choices in your life. God treats us all the same in life; the difference is the relationship that you have with Christ. God rewarded my mom in a special way when she died. Never before have I seen death come this way in someone's life. Find out what's waiting for you when that time comes for you. We never plan on dying, but when you least expect it, it can happen in a moment to anyone. God loves us & cares for us no matter who we are and His gift of salvation is free for all of us. Don't miss out on seeing what God can do for you! Don't waste your time away. Ask Him!!!

*At Heaven's Gate: Novel* Robert Penn Warren 1985-03-17 The second novel by Robert Penn Warren, author of the Pulitzer-Prize-winning *All The King's Men*, is a tour de force and a neglected classic. *At Heaven's Gate*, Robert Penn Warren's second novel, is a neglected classic of twentieth-century fiction. First published in 1943, it grew out of the author's years in Nashville during a period of political and financial scandals much like those later so memorably portrayed his Pulitzer-Prize-winning

*All The King's Men*. Other formative elements, as he has said, "came originally out of Dante by a winding path." During the winter of 1939-40 in Rome, where the first half of the book was written, one of the most touching characters, a "Christ-bit mountaineer," and his part of the story literally came full-blown to the author in a typhus-induced delirium. *At Heaven's Gate* is a novel of violence, of human beings struggling against a fate beyond their power to alter, of corruption, and of honor. It is the story of Sue Murdock, the daughter of an unscrupulous speculator who has created a financial empire in the South, and the three men with whom she tries to escape the dominance of her father and her father's world. The background is the capital of a Southern state in the late twenties and the promoters and politicians, the aristocrats and poor whites, the labor organizers and the dispossessed farmers, the backwoods prophets and university intellectuals who are drawn into its orbit. Warren's picture of the South is as fresh, dramatic, and powerful today as it was when the book was first published. Its plot structure is a tour de force.
