*Mystery II* O H Delgado 2014-12-05 Big Bang The modern science of Cosmology has given us a model of the physical creation we know as the Universe. They call it the Cosmos. They say, and I agree, that something, infinitely dense exploded around 13-14 billion years ago. They call it the Big Bang. They know nothing of that something that exploded; nor can they ever know with their minds in the physical realm with its physical laws and math. In fact, they are a bit frustrated and embarrassed . . . so they call this enigma a Singularity. The author has solved this singularity in his first book: Mystery of Being Black Holes and the Big Crunch This book is a sequel to the first. Another singularity has really stumped and depressed them: Black Holes. In the center of every galaxy is an infinitely dense, mysterious black hole with an infinitely powerful gravity field. They do not give out any radiation; so they are invisible to the eye and to all modern instruments. Their most threatening feature is their devouring gravity field. Einstein’s equations of his general theory of relativity predict that these black holes will eventually swallow up ALL the physical universe then collapse into each other and form the Big Crunch. Cosmologists sadly agree with Einstein. The destruction of the physical realm is inevitable. I sense a deep depression when I observe, study the brilliant minds since Einstein to today. I sense empty hopeless hearts. The men I studied are all atheists. They are mired in the physical realm. The author introduces the supernatural realm, with superior dimensions and a superior spectrum. The physical realm will be redeemed along with the souls who accept God’s Love! The author redefines gravity; also introduces a new theory of Supernatural Relativity

**Poetical Quotations** Thomas William Herringshaw 1892

*Littell’s Living Age* Eliakim Littell 1879

Notes on the Gospel of Luke [by J.N. Darby]. John Nelson Darby 1869

**Will I See Fido in Heaven?** Mary Buddemeyer-Porter 2004-10 Book includes over 170 scriptures with commentary from 29 books of the Bible revealing that animals go to heaven through biblical evidence and also includes fourteen wonderful true-life animal stories. Recommended by Christian clergy in the U. S.and abroad.

*Dante & the Unorthodox* James Miller 2006-01-01 During his lifetime, Dante was condemned as corrupt and banned from Florence on pain of death. But in 1329, eight years after his death, he was again viciously condemned—this time as a heretic and false prophet—by friar Guido Vernani. From Vernani’s inquisitorial viewpoint, the author of the Commedia “seduced” his readers by offering them “a vessel of demonic poison” mixed with poetic fantasies designed to destroy the “healthful truth” of Catholicism. Thanks to such pious vituperations, a sulphurous fume of unorthodoxy has persistently clung to the mantle of Dante’s poetic fame. The primary critical purpose of Dante & the Unorthodox is to examine the aesthetic impulses behind the theological and political reasons for Dante’s allegory of mid-life divergence from the papally prescribed “way of salvation.” Marking the septicentennial of his exile, the book’s eighteen critical essays, three excerpts from an allegorical drama, and a portfolio of fourteen contemporary artworks address the issue of the poet’s conflicted relation to orthodoxy. By bringing the unorthodox out of the realm of “secret things,” by uncensoring them at every turn, Dante dared to oppose the censorious regime of Latin Christianity with a transgressive zeal more threatening to papal authority than the demonic hostility feared by friar Vernani.

**Lectures on the Revelation** William James Reid 1878

*Joy in the Midst of Pain* Diane Czekala 2015-09 When Diane Czekala’s daughter April died in 2011, she was just twenty-three and had her whole life ahead of her. Uniquely, she knew she was going to die and told her mother about it three months before it happened. Diane wanted to hear nothing about it, but then told her, “ ‘If’ you do die, find a way to let me know you are okay”. After her death, Diane and her husband, Michael, feared for April’s salvation. But Joy in the Midst of Pain recounts dramatic instances of dreams, visions, and prophetic inspirations that came from people across the country who knew April. Each clearly confirmed to the couple their daughter was with Jesus, there is life after death, and it is wonderful . As a minister of healing, Diane also explains different types of grieving, understanding the grieving process, and hindrances to healing, as she shares her story. If you wonder about life after death, are sorrowing the loss of a loved one, or know someone who is, Joy in the Midst of Pain will offer hope in Jesus and inspire you to draw near to God. As Diane’s story emphatically demonstrates, “He will get you through.”

*The Evangelical Repository* 1869

**Zen and Japanese Culture** Daisetz T. Suzuki 2019-02-12 One of this century’s leading works on Zen, this book is a valuable source for those wishing to understand its concepts in the context of Japanese life and art. In simple, often poetic, language, Daisetz Suzuki describes what Zen is, how it evolved, and how its emphasis on primitive simplicity and self-effacement have helped to shape an aesthetics found throughout Japanese culture. He explores the surprising role of Zen in the philosophy of the samurai, and subtly portrays the relationship between Zen and swordsmanship, haiku, tea ceremonies, and the Japanese love of nature. Suzuki’s contemplative discussion is enhanced by anecdotes, poetry, and illustrations showing silk screens, calligraphy, and examples of architecture.

*Lyrics of the XIXth Century* William James Linton 1884

**Sermons Preached in the Temple Church** Alfred Ainger 1870

*The Common and Special Gifts of the Holy Spirit* Jerry Mercer 2014-04 The Common and Special Gifts of the Holy Spirit seeks to propel us into the presence of the Most High God, allowing entry into the spiritual realm--one that we were created to be part of. God was thinking about us before He created us; thus, we were spirits before we were ever adorned with this flesh. Our spirit knows no age, but does increase in power and ability. This power increases until we reach eternity, our beginning with no end. God created precious gifts for us to enjoy along the way--the gifts of the Holy Spirit found in 1 Corinthians 12 in the Holy Bible. He gave us the gifts of the word of wisdom, the word of knowledge, faith, healings, miracles, prophecy, discerning of spirits, and tongues and their interpretation. We are given common words of wisdom to keep us reverent to God, allowing Him to guide our daily lives. The Common and Special Gifts of the Holy Spirit explains that these common and special gifts are all given by God, the Holy Spirit, and they unlock the potential for us to have a spiritual encounter of the grandest magnitude.

**A Poetry-Book of Modern Poets** Amelia B. Edwards 1878

*Some Verses* Felix Napoleon Gerson 1893

*A Poetry-Book of Modern Poets* Amelia Blandford Edwards 1878

*Fourteen Sonnets* Warren Holden 1888

*The Siege of Berwick* Edward Jerningham 1882

**After Many Years** Richard Savage 1895

*When the Wind Blows* Elaine Beachy 2021-11-17 How does a girl, who grew up in Pennsylvania and Virginia on the eastern part of the United States, happen to have been born on the west coast? And how does a Mennonite girl, whose parents were Amish, end up a Charismatic? In her journey of faith, Elaine shows how the wind of the Holy Spirit blew throughout her life to bring her into more truth and freedom to give her a firm spiritual foundation. She struggled with questions. Are signs, wonders, and miracles still valid today, or have they passed away? Is the baptism of the Holy Spirit from God or the devil? Is it always God’s will to heal? Elaine faced rejection and struggled to find acceptance and approval in her quest for truth, but God was faithful to provide what she needed.
